

Akhil Sreekumar Public Policy and Operations Professional

akhilskofficial@gmail.com | +91 7591986470 | Raigarh, Chhattisgarh | [LinkedIn](#) | [Github](#) | [Medium](#)

PROFILE

Public Policy professional with **4+ years** of experience designing and implementing high-impact programs in **Left-Wing Extremism (LWE) affected zones** and **mining affected regions**, and **rural landscapes**, alongside the **Department of Home Affairs**. Proven success in **stakeholder management** from **grassroots to national think tanks (NITI Aayog)**, leading community-driven development models and evidence-based policy design.

PROFESSIONAL EXPERIENCE

Team Lead

08/2026 – Present | Raigarh, Chhattisgarh

[AFC India Ltd.](#) 

- Led the **District Mineral Foundation's PMU** on deployment from **AFC India Ltd.**, overseeing the end-to-end execution, strategic rollout, and fund allocation of **₹130+ Crores** for **district-wide public policy initiatives**.
- Implemented robust **M&E frameworks** utilising **data-driven analysis** to **track project lifecycles**, optimize **resource utilization**, and **report on KPIs**.
- Led a cross-functional team and **facilitated collaboration** between **government administration, external partners, and local communities** to align milestones with regional development goals.
- Initialized a **centralized government dashboard and project tracking system** for **DMF Projects** being adopted by the district administration, providing **real-time visibility** across **250+** concurrent projects and reducing reporting delays by **40%**.

Public Policy in Action Fellow

04/2024 – 04/2025

[Transform Rural India](#) 

Dantewada, Chhattisgarh, India

- Established **Chhattisgarh's first Youth Hubs**, improving education, employment, and entrepreneurship access for **10,000+ rural youth in an LWE region**; accelerated socio-economic integration by securing **direct access to digital education, sustainable employment, and nano-entrepreneurship channels**, utilizing **DDU-GKY** convergence.
- Designed and assisted in the launch of the **District Agri-Rural Transformative Plan** with NITI Aayog, spanning **234 villages**, covering **144 KPIs** on natural farming adoption.
- Facilitated sanctioning of **7,438 water conservation structures** — including farm ponds, loose boulder structures, and check dams — integrating **MGNREGA & Jal Jeevan Mission**, strengthening climate resilience.
- Expanded rural mobility by sanctioning **₹1.8 crore** for new bus services under **PMGSY and DMF convergence**, providing **first-time public transport connectivity to remote villages** cut off by dense forest terrain and security challenges, **directly linking students and farmers to regional education and market hubs**.
- Reduced malnutrition and anaemia among **20,000 women & children** via district-wide **Double Fortified Salt distribution**.
- Led **Mahila Lakhpati Mission** under **NRLM convergence**, enabling **1,300+ tribal women** to transition to high-value alternative livelihoods—**such as backyard poultry, NTFP processing, and organic agriculture**—while establishing direct B2B market linkages to scale household income.

Project Fellow

08/2022 – 03/2023

[Kerala Youth Leadership Academy, Government of Kerala](#) 

Thiruvananthapuram, Kerala, India

- Monitored and streamlined the **Vathilppadi Sevanam** (Services at Doorstep) Scheme, **optimizing last-mile service delivery** for 30,000 senior citizens through **inter-departmental convergence** across **Health, LSG, and Social Justice**.
- Drafted sections of a **World Bank proposal** on cyclone shelters under the National Cyclone Risk Mitigation Project.

- Conducted **policy research** and **developed IEC materials** for **Jal Jeevan Mission, SVEEP (Systematic Voters' Education and Electoral Participation), and Nasha Mukti Abhiyan**, providing data-driven insights for implementation.
- Directed **1,000+ volunteers** as District Project Coordinator, Samoohika Sannadhasena, during disaster response simulations and national level mock drills.
- Coordinated **Emergency Operation Centres (Sabarimala & Nilackal)** as Assistant Director (DDMA Pathanamthitta), ensuring effective crowd and disaster management.

Assistant Systems Engineer - Trainee

07/2021 – 07/2022 | Chennai, Tamil Nadu

[Tata Consultancy Services Ltd.](#) [↗](#)

- Applied **problem-solving and data analysis** in **BFSI** vertical.
- Enhanced **project documentation, defect tracking, and version control** in **Agile** environment.
